### PROTECT, RESTORE, CONNECT...

That is what we do at West Creek Conservancy. Our mission is to enrich the lives of all people in Northeast Ohio by conserving natural habitats, restoring the ecological value of our region's lands and waters, and expanding opportunities to connect people from all cultures to experience nature and discover our great outdoors. Since 1997, West Creek Conservancy has been connecting people to parks and protecting our drinking water. With your help, we can continue to protect our natural resources today and for future generations.

## CORPORATE CONSERVATION PARTNERSHIP PROGRAM

As West Creek Conservancy celebrates its 27th year protecting land and water resources in Northeast Ohio, we invite you to be a supporter in our Corporate Conservation Partnership Program.

**WE BELIEVE** that clean streams and rivers, abundant natural areas, neighborhood green space, and beautiful walking and biking trails are an important part of healthy, vibrant, successful communities.

**WE ARE DEDICATED** to our mission of local conservation because Northeast Ohio is our home, and we want it to be as great a place to live as possible.

**WE INVITE YOU** to help West Creek make Northeast Ohio a Greener place to live. West Creek collaborates with individuals, landowners, non-profits, community groups, municipalities, and businesses on many different conservation, clean water, land re-use, and trail projects.

**WE HAVE MANY OPPORTUNITIES** for volunteers, as well as opportunities to get outside, learn about, and enjoy our local environment. Whether you attend a meeting or outing, make a donation, protect your land, or volunteer, your participation makes a difference.

**TOGETHER WITH OUR SUPPORTERS**, we have protected thousands of acres, restored miles of stream and amazing wetland complexes, re-forested our cities, built inter-community trails, greenways, and public spaces, as well as engaged thousands of volunteers for a plethora of watershed stewardship activities.

**WE'D LOVE TO GET YOU INVOLVED!** With current partners, we've delivered on site presentations about our work, hosted corporate volunteer events, tours, and hikes, as well as assisted with the installation of native vegetation, stormwater controls, and trees at various corporate locations.

**JOIN OUR CORPORATE CONSERVATION PARTNERSHIP PROGRAM**

To join our program please contact Derek Shafer at [dshafer@westcreek.org](mailto:dshafer@westcreek.org) or 440.915.2940.
